

It's that time of the year again!

SEO Library Center has a collection of Public Performance media which includes; 16mm films, videocassettes and DVDs.

All of these items are purchased with the Public Performance Rights. This means that, as long as you do not charge admission fees, your agency or library can show these 16mm films, videocassettes or DVDs to a group or to individuals without violating any copyright restriction.

All Ohio public libraries on US Cargo, state agencies and state parks can access these materials. SEO provides them to enhance programming, entertainment, and informational needs.

SEO Library Center also circulates a collection of over 750 Ellison and Accucut Die-Cut Patterns. These patterns include such items as alphabet sets, holiday shapes, border patterns, as well as many others. The Die-Cutting Machine is available for your convenience.
